

## Electrician

SunBug Solar is a leading solar energy provider, headquartered in Arlington, MA, with over a decade of experience delivering high-quality craftsmanship and outstanding customer service to businesses, residents, non-profits, and landowners throughout the Northeast. As a Certified B Corporation, we are driven by a commitment to building a healthier energy system, creating a great place to work for our employees, and giving back to the communities we serve.

### Position Overview

SunBug Solar is looking for an electrician who is driven to continue our history of great customer service by ensuring the delivery of our solutions in a quality, on-time, and efficient manner.

### Primary Responsibilities:

At SunBug, our Electricians are key to ensuring every system is installed to specification, meeting our internal rigorous quality standards as well as complying with all code regulations. Our Electricians are Massachusetts Licensed Electricians. This position is responsible for the installation and servicing of solar photovoltaic and other renewable energy systems.

Qualified candidates are detail oriented, able to trouble-shoot and work well in a dynamic and fast-paced team setting. Ideal candidates have a wide range of electrical experience.

### Qualifications:

- Valid Massachusetts Journeyman Electrician License
- Excellent safety record
- Comfort with working at heights (roofs, ladders, and full safety equipment)
- Detail oriented with a passion for quality craftsmanship and efficiency

Job Type: Full-time based in Arlington, MA

### Benefits:

- An exceptional working environment
- Health, vision, dental insurance
- 401(k) program with company matching
- Paid time off
