

## **Lead Solar Installer -Western MA**

SunBug Solar is a top-quality solar energy provider. This position is out of our Westfield, MA location. SunBug has over a decade of experience delivering high-quality craftsmanship and outstanding customer service to businesses, residents, non-profits, and landowners throughout the Northeast. As a Certified B Corporation, we are driven by a commitment to building a healthier energy system, creating a great place to work for our employees, and giving back to the communities we serve.

### **Position Overview**

As an integral member of the installation crew, the ideal candidate will lead and work cooperatively with other team members to successfully complete high-quality installations of energy products safely and on time. Our solar installers are comfortable working on roofs of varying pitches during all seasons.

### **Qualifications**

- Experience in solar, roof work, general construction, or carpentry preferred
- Adherence to safety standards at all times
- Good communication and customer service skills
- Demonstrates excellence in leadership at all times by engaging and motivating teammates to deliver the highest quality service, safely and on time.
- Detail oriented with a passion for quality craftsmanship and efficiency
- Leads by example
- Comfortable with technology
- Must be able to lift at least 50 pounds frequently
- Comfortable on pitched roofs
- Valid drivers license

Job Type: Full-time based in Westfield, MA

### **Benefits:**

- An exceptional working environment
- Health, vision, dental insurance
- 401(k) program with company matching
- Paid time off
