

Solar Installer

SunBug Solar is a leading solar energy provider, headquartered in Arlington, MA, with over a decade of experience delivering high-quality craftsmanship and outstanding customer service to businesses, residents, non-profits, and landowners throughout the Northeast. As a Certified B Corporation, we are driven by a commitment to building a healthier energy system, creating a great place to work for our employees, and giving back to the communities we serve.

Position Overview

As an integral member of the installation crew, the ideal candidate will work cooperatively with other team members to successfully complete high-quality installations of energy products safely and on time. Our solar installers are comfortable working on roofs of varying pitches during all seasons.

Qualifications

- Experience in roof work, general construction, or carpentry preferred
- Adherence to safety standards at all times
- Good communication and customer service skills
- Self-motivated, managing time and tasks effectively with a sense of urgency
- Detail oriented with a passion for quality craftsmanship and efficiency
- Receptive to coaching and direction
- Must be able to lift at least 50 pounds frequently
- Valid drivers license

Job Type: Full-time based in Arlington, MA

Benefits:

- An exceptional working environment
- Health, vision, dental insurance
- 401(k) program with company matching
- Paid time off
